

Syed Fayzan

Computer Science Engineer · MERN-Stack Developer · Data Structures & Algorithms

Hanamkonda, Telangana | 7989802625 | sdfayzan8@gmail.com | linkedin.com/in/syed-fayzan-040a48310 | [GitHub](#) | [Leetcode](#)

EDUCATION

Kamala Institute of Technology and Science B.Tech — Computer Science & Engineering · CGPA: 9.06 / 10	2023 – 2027
SR Junior College Intermediate (MPC) · Grade: 9.6 / 10	2021 – 2023
Baby Sainik High School Secondary Schooling (SSC) · Grade: 10 / 10	2009 – 2020

PROJECTS

MERN Expense Tracker MongoDB · Express.js · React · Node.js – Full-stack expense management app with JWT authentication, real-time budget tracking, expense categorization, and interactive financial dashboards. – Implemented REST APIs with MongoDB and responsive React UI.	May 2026
MERN Blogify Application MongoDB · Express.js · Node.js – Full-stack blogging platform with user authentication, blog CRUD operations, comment system, category filtering, and advanced search. – Built responsive dashboards and integrated REST APIs with MongoDB.	Aug 2025 – Oct 2025
SafeWalk – AI Safety & Emergency Assistance Platform Python · Flask · MongoDB · FastAPI – Developed a full-stack safety platform enabling users to send SOS alerts and share live location with emergency contacts.	Mar 2026

TECHNICAL SKILLS

Languages	Python, C, C++, Java, JavaScript, SQL
Web / Frameworks	React, Flask, FastAPI, Node.js, HTML/CSS, Bootstrap, Nodejs,
Data & ML	NumPy, Pandas, Scikit-learn, Matplotlib, TensorFlow (basics)
Databases	MySQL, MongoDB
Tools	Git, GitHub, VS Code, Linux, Postman, Figma
Data Structures	Arrays, Strings, Linked Lists, Stacks, Queues, Hashing, Trees, Graphs
Algorithms	Sorting, Binary Search, Recursion, Backtracking, BFS, DFS, Greedy, DP

CERTIFICATIONS & COURSES

- Advanced MERN Stack Development — Infosys Springboard
- Programming Using Java — Infosys Springboard
- Explore AI and Generative AI — Microsoft
- SQL and Relational Databases 101 — IBM Skills Network
- Python Essentials 1 — Cisco Networking Academy

ACHIEVEMENTS & CO-CURRICULARS

- Received **Certificate of Merit for Academic Excellence** in BTech for outstanding academic performance.
- Participated in SIH 2024 & 2025 internal rounds, developing a civic grievance reporting app.
- Solved **200+ problems on LeetCode**, demonstrating consistent problem-solving and DSA practice.
- **Hackathons:** Participated in **HackFusion 2026 – International Hackathon & Project Expo** (Brainovision Solutions India Pvt. Ltd.) and **MindSprint 2K25**.

INTERNSHIPS

- **Full Stack Development Intern** — Mindenious Edutech LLP
- **MERN Stack Virtual Intern** — EduSkills
- **Python Programming Intern** — CodSoft
- **Data Analyst Internship** — Decode Labs
- **Data Analytics Job Simulation Intern** – Delloitte
